

A MEMORABLE SETTING
FOR YOUR MAINE WEDDING

wellsreserve at laudholm

"A treasured spot on the seacoast between Ogunquit and the Kennebunks, where every wedding supports coastal science, education, and conservation." — wedmaine magazine

"Natural beauty, flexibility, capacity, value, and authentic character." — Alex B.

"We did rehearsal dinner, ceremony, reception, and a Sunday brunch all on the property. The caretaker was amazing, the barn was beautiful, and the scenery was peaceful and stunning in every direction." — Sarah P.

"I love that my husband and I can go back there whenever we want to walk the trails and reminisce. If I had to do it all again, I would absolutely choose Laudholm Farm." — Jess H.

"The best and easiest decision of my wedding planning was choosing this venue!" — Ashley

"The perfect blank canvas for a rustic Maine wedding."
